By entering the meeting, you are consenting to such use. If you object to the use of your image or voice, do not enter the meeting; please contact Christine Higgins @ 732-701-7155.

How will potential changes to health care policy affect employee benefits programs? What will be the impact to retirement plans? As our 46th President Joe Biden prepares to take office January 20, now is the time to understand what the new administration's views are on these subjects and their potential impact to your organization. Join us for this timely presentation on what impact the new administration will have on your benefits in 2021 and beyond.

By attending this session, participants will gain clarity and learn best practices about:

- Post-Election Overview: Democratic President, Republican Senate, and Democratic House – How this dynamic affects legislation
- The Future of Healthcare
 - Future of the Affordable Care Act; Public Option; Prescription Drugs; Mental Health
 - Market Concentration - Antitrust Laws
 - COVID-19 Strategy
- The Impact on Employers and Strategies You Can Implement
- The Future of Retirement Plans and Employer Strategies
- The Future of Compensation with Biden's Tax Plan - Employer Impact and Strategy
- Breaking News: \$900 Billion Dollar COVID-19 Relief package. Innovative will offer an overview of the sweeping new COVID-19 relief package with a focus on the topics of interest to employers.

About the Speakers:

Ryan Kastner, a Vice President of Consulting, has nine years of experience in the insurance and payroll industry. Kastner provides exceptional service to companies and executives across the country. Kastner is an Investment Advisor Representative, a Certified Corporate Wellness Specialist, and has completed the International Foundation of Benefits Employee Benefits course. He is considered an expert in the healthcare industry and in advising Retirement Plan sponsors.

Dan Foley, Vice President of Consulting, has more than 17 years of consulting experience with middle market employers in workforce management and employee benefits. He is a Certified Corporate Wellness Specialist and has helped many employers implement alternative funding plan designs and wellness programs with a measurable ROI. Foley has a bachelor's of finance degree from Seton Hall University, has served on an advisory board of a Fortune 100 company, and on the All-Star Consulting Panel at the United Benefit Advisors Fall Conference in 2013 and 2014. Foley is licensed in Health, Life, and Disability insurance and is also federally licensed as an Investment Advisor Representative with the SEC.
